With all the recent excitement about All Charities and the Ocean Reef Community Foundation, Members may be interested to hear more about ORCF’s Community Grant recipients and how the money they donate makes a difference in the surrounding areas of Key Largo, Homestead and Florida City, where our associates live.

So, in celebration of World Book Day (it’s today!), let’s start with United Way of Collier and the Keys and their expansion of the Early Literacy/Imagination Library Program to the Upper Keys. The Dolly Parton Imagination Library is an ongoing program of the UWCK. Thanks to our generous Membership, each year from 2019 to 2021, 60 Upper Keys, pre-school children were able to enroll in the program and receive a new book every month in the mail until their fifth birthday. That means your help has put books in the hands of a total of 180 children so far through this wonderful program. It’s much more than just a book, it’s an investment in our future and makes our community stronger. Well done!

Thank you for your support of the Ocean Reef Community Foundation and All Charities!
