In collaboration with Feeding South Florida, Monroe County and the Ocean Reef Community Foundation, United Way of Collier and the Keys announces that a free drive-through food distribution will take place at The Basilica School rear parking lot on Thursday, May 21, from 1 p.m. to 3 p.m.

The food distribution is available to all who have lost income as a result of the COVID-19 pandemic and multiple families may be represented in each vehicle. All passengers in the vehicle must have a nose-and-mouth covering and a box should be placed in the vehicle trunk in which the volunteers will place the food.

“If you live in the Lower Keys and are struggling due to the pandemic, please participate to ensure your family has enough to eat,” United Way Area President Leah Stockton said.
