

**OCEAN REEF  
COMMUNITY  
FOUNDATION**

**Happy Summer!**

These happy campers belong to Upper Keys YMCA Summer Camp in Key Largo, a program made possible in part by our generous Ocean Reef community and your participation in the annual All Charities Weekend.

The after care and summer programs at the YMCA provide local Upper Keys children with enriching educational opportunities, experiential learning through field trips, interaction with positive role models and access to affordable childcare while school is out. But most importantly... FUN!

Ocean Reef Community Foundation has contributed over \$1,158,000 to Key Largo and Homestead YMCA programs for children since the All Charities effort started in 2008.
