

# 2021 Grant Application Deadline Reminder

by Yurianna Mikolay,  
Executive Director  
Ocean Reef Community Foundation

All Members and employees of

Ocean Reef are encouraged to recommend our Community Grants program to your favorite non-profit organizations serving the adjacent communities where employees live and raise their families.

The Ocean Reef Community Foundation annual Community Grants application deadline for 2021 awards is November 1, 2020. Please note that, because of the ongoing public health and economic crisis, we will also be considering late applications on a case-by-case basis this year.

Each spring the Community Grants program awards funding

to dozens of qualified charities in the Upper Keys, Homestead, Florida City and Key Largo for projects supporting Education, Youth, Health & Family Services and Community. Interested members and nonprofits can find guidelines, giving priorities and a link to our online application process on the Community Grants page of our website at [orfound.org](http://orfound.org).

Should your favorite nonprofit have the need to make a late application, please direct them to email [foundation@oceanreef.com](mailto:foundation@oceanreef.com) for consideration.

The Community Grants

program is funded primarily by your participation in the All Charities effort and has awarded more than \$11 million to great causes thanks to your generosity.

Members are normally invited to join the Grants Committee on in person Charity Tours to see the impact of past grants firsthand and provide vital feedback on new proposals each season. Until that can be done safely again, we are looking at alternatives such as virtual presentations for this year's "tour" dates of December 8th, January 8th, and February 1st. Look for the latest as the dates approach.
