

**OCEAN REEF
COMMUNITY
FOUNDATION**

**The College of the Florida
Keys Scholarship**

Exciting news! The Ocean Reef Community Foundation (ORCF) has donated \$100,000 to The College of the Florida Keys (CFK) Foundation to create the ORCF Building Bridges Scholarship, which expands upon ORCF's investment in CFK endeavors to grow education opportunities in the Upper Keys. The Foundation was a significant funder and champion of the construction of the College's new Upper Keys Center in Key Largo, which opened in 2021. This new financial aid opportunity is available exclusively to students attending the College's Upper Keys Center, starting this upcoming fall semester. Priority consideration will be given to students pursuing credentials in career technical education and professional skills programs that align with the Keys' workforce demands, as well as to employees and offspring of those employed in the Ocean Reef community. Details, criteria, and the application for the ORCF Building Bridges Scholarship can be found on the College's website at cfk.edu/discover/cfk-foundation/scholarship-info/.

The Burton Memorial United Methodist Church Child Development Center's Summer Enrichment Program in the Upper Keys has been an ORCF non-profit partner since 2010.

Thank you to the Ocean Reef Club community for generously supporting education and growth in the Upper Keys!

**Burton Memorial Summer
Enrichment Program**

The summer fun continues! These happy campers are thriving at Burton Memorial United Methodist Church Child Development Center's Summer Enrichment Program in the Upper Keys. Burton received a \$15,000 Community Grant this year for this program and has been an ORCF non-profit partner since 2010, receiving over \$175,000 in Community Grants for summer programs for local children, food pantry support, a refrigerated truck for perishable food donations, preschool playground resurfacing, and more. Our heartfelt gratitude goes to our generous membership for supporting All Charities Weekend, making these impactful grants possible.

ORCF Chairman William J. Nutt, ORCF Executive Director Yurianna Mikolay, CFK President Dr. Jonathan Gueverra, CFK Vice President of Advancement Lana Gaspari, and CFK Trustee and ORCF President Richard Weinstein.
