OCEAN REEF COMMUNITY FOUNDATION

Caring for Miami's Project Smile Mobile Dental Unit visited Ocean Reef Club last week, bringing dental care directly to Club Associates. A 2026 ORCF Community Grant recipient, Caring for Miami received $40,000 to provide mobile dental services to 1,500 residents throughout the Upper Keys, Homestead and Florida City. Since 2018, the organization has received a total of $375,000 in ORCF Community Grants, helping bring essential dental care to those who need it most.
